<u>English</u>

Students will be studying the novel "A Christmas Carol" by Charles Dickens. This will include discussing and analysing the character of Scrooge alongside the Ghosts of Christmas Past/Present/Future. They will have opportunities for writing for different purposes such as: letter writing, chronological report, descriptive writing, monologue and re-tell.

Grammar - Verbs and Tenses

Ensure subject-verb agreement and correct and consistent use of tense in writing.

Use the perfect form of verbs to mark relationships of time and clause.

Indicate degrees of possibility using modal verbs and adverbs.

Maths

Position and Direction: To read and plot co-ordinates in all four quadrants. To draw shapes from co-ordinates given. To become fluent in deciding which part of the axis is positive or negative. To use knowledge of co-ordinates and positional language to translate shapes in all four quadrants. To describe translations using direction and use instructions to draw translated shapes. To reflect shapes in both the X and the Y axis.

Fractions - Compare and order fractions, including fractions > 1 Add and subtract fractions with different denominators and mixed numbers, using the concept of equivalent fractions. Multiply simple pairs of proper fractions, writing the answer in its simplest form [for example, $\frac{1}{4} \times \frac{1}{2} = \frac{1}{8}$] Divide proper fractions by whole numbers [for example, $\frac{1}{3} \div 2 = \frac{1}{6}$] Associate a fraction with division and

Associate a fraction with division and calculate decimal fraction equivalents [for example, 0.375] for a simple fraction [for example, $\frac{3}{8}$]

Recall and use equivalences between simple fractions, decimals and percentages, including in different contexts.

<u>Times Tables:</u> Continue to practise and learn by heart all their times tables.

How are our coastlines changing?

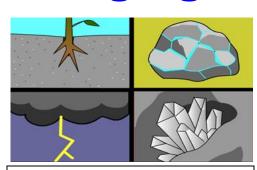

Topic - Geography

To explain how erosion and weathering can change the landscape.

To be able to identify coastal features of the UK and how they are formed. To explain how water and weather can change the coastline over time.
