

Los planetas

Phonics

sound in:
b

• bastante

sound in:
qu

• pequeño

sound in:
v

• Venus

sound in:
z

• azul

accents

Accents indicate the vowel is stressed. As seen in the word **Júpiter**.

ñ tilde

This changes the 'n' to a 'ny' sound like in the English word 'onion'. As in the Spanish word **pequeño**.

Vocabulary

As this is a unit that explores writing longer and more complex language, there is a wider range of vocabulary than in other units. Not all will be learnt from memory but there will opportunity to learn the planets from memory in Spanish.

Grammar

To use a range of adjectives to make sentences longer, more complex and interesting.

Júpiter es enorme y bastante lejos del sol.

Jupiter is enormous and also far from the sun.

Using a wider range of adjectives:

enorme

enormous

pequeño

small

What I will learn:

- Objective 1: I will improve my range of vocabulary by learning the planets in Spanish.
- Objective 2: I will expand my knowledge of language by using more complex sentence structures.
- Objective 3: I will improve my listening and reading skills by listening to and reading more complex language.
- Objective 4: I will improve my knowledge of adjectival agreement.
- Objective 5: I will learn how to apply my increasing knowledge of adjectival agreement.
