

# PSHE Knowledge Organiser

PSHE Strand/ Year Group

Year 6 – Healthy Me

## Overview

In this Puzzle the children discuss taking responsibility for their own physical and emotional health and the choices linked to this. They talk about different types of drugs and the effects these can have on people's bodies. The class discuss exploitation as well as gang culture and the associated risks. They also talk about mental health / illness and that people have different attitudes towards this. They learn to recognise the triggers for and feelings of being stressed and that there are strategies they can use when they are feeling stressed.

## Knowledge

- Know how to take responsibility for their own health.
- Know how to make choices that benefit their own health and well-being.
- Know about different types of drugs and their uses.
- Know how these different types of drugs can affect people's bodies, especially their liver and heart.
- Know that some people can be exploited and made to do things that are against the law.
- Know why some people join gangs and the risk that this can involve.
- Know what it means to be emotionally well.
- Know that stress can be triggered by a range of things.
- Know that being stressed can cause drug and alcohol misuse.

## Key Vocabulary

responsibility	restricted
choice	substance
