

Ringway Primary School
In conjunction with Bedlington Partnership
Home/School Agreement

Objective

Parents and carers are a child's first educators. They are the adults who have taught their children how to walk, talk, dress themselves and ride a bike. At Ringway Primary School we believe that children will learn best if parents know, understand and are in agreement with the aims of the school. This agreement is to help the school and parents to work in partnership in order to support the children's learning.

The Family will:

- Ensure their child attends regularly, is punctual and properly equipped for the school day
- Ensure school is notified of any absence at earliest opportunity
- Ensure contact details are up to date and that they are contactable during the school day
- Support their child's learning by attending parent consultation meetings and any other meetings relevant to their child's progress and development
- Share any concerns which may affect the child's learning or behaviour
- Support the school's policies on behaviour and help their child to keep and respect the school's rules
- Support the school's policies on homework and home learning activities
- Support the school's policies on personal presentation and uniform
- Communicate with the school appropriately and take notice of communications from the school e.g. emails, text messages
- Respect the school environment and help their child to do the same
- Conduct themselves respectfully when on school premises and regarding school matters on social media sites
- Be involved in their child's school life and encourage their child to be proud of his/her progress and achievements

The School will:

- Encourage your child to do their best at school
- Inform you of your child's progress at regular meetings
- Keep you informed about what teachers aim to teach the children each term
- Send home regular homework
- Keep parents informed about school activities through regular letters, newsletter and notices about special events

Together we will:

- Support your child's learning and help them achieve their best
- Encourage your child to adhere to the school rules
- Work to support any special needs of your child
- Ensure that we all take care of the school environment and equipment
