

Communication, Language and Literacy

Core Book- Oliver's Vegetables

The story will be shared using a story map, following, a package will arrive containing vegetable seeds from Oliver, asking the children to plant them and record their growth. Over the weeks, the children will be introduced to Makaton signs for the different vegetables to support communication. We will be encouraging the children to answer simple questions about the story e.g 'What happened next?'

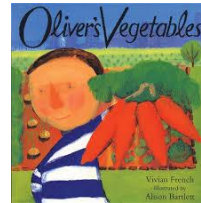

In small groups, children will further explore the story by using the Tales Toolkit to discuss the characters, setting, problem and solution.

Physical Development

We will be supporting the children to:

Using gross motor skills to dig and rake soil in preparation to grow plants, flowers and vegetables.

Oliver's Vegetables

Mathematical Development

We will be learning to:

Create repeated patterns using vegetables.

Begin using language relating to money.

PSE Development

Circle times to talk about their likes and dislikes and sharing when they have tried something new like Oliver.

Understanding the World

Plant seeds and learn about growing.

Learn the names of different vegetables.

Identifying minibeast and building habitats.

Home and School

To practise oral blending cvc words.

To practise name writing.

Creative Development

Create vegetable prints.

Develop story lines around our vegetable shop role play with friends.
