promenade	a public place for walking for pleasure

Visiting places

People visit lots of different places. They might visit a local area, travel a bit further and go on a national trip, or take a longer holiday somewhere else in the world. Many tourists like to visit a seaside resort.

Physical Features of the Seaside

A seaside resort has many physical features. Features such as the beach, the sea, cliffs and caves have been made naturally. This means they were made by nature.

Coastal cities and towns of the UK

Human features of the Seaside

Human features found at the seaside might include the pier, the promenade, a lighthouse and a fairground. These features are all man-made.
