

# RE Knowledge Organiser

## Key Question

How should we care for others and the world and why does it matter?

## Learning Outcomes

- To give examples of how people show that they care for others, for example, giving to charity.
- To give examples of how people show that they care for the world, for example, recycling.

## Topic Overview

To explore the idea that each person is unique and important and to talk about the benefits and responsibilities of friendships and the way that people care for others.  
To explain how and why people should look after our natural world.

## Key Vocabulary

God	A superhuman spirit or being that is worshipped.
Environment	The surroundings or conditions in which a person, animal, or plant lives.
Friendship	How people behave as friends.
Responsibility	being accountable or to blame for something.
Charity	An organisation set up to provide help and raise money for those in need
Recycle	Process of changing waste materials into new materials and objects
